

EMPLOYEE BENEFITS OVERVIEW

LeCor Technology Services employees enjoy a wide range of compensation and benefits that include but are not limited to:

HEALTH INSURANCE

LeCor Technology Services, LLC offers three comprehensive health plan options (medical, dental, and vision) to its full-time employees, covering 75% of the employee's costs.

401(K) INSURANCE PLAN

Full-time employees can enroll in the fully managed 401(k) plan (Traditional & Roth IRA). Employer matching contributions begin after one year of continuous employment with the company.

EMPLOYEE ASSISTANCE

With holistic wellness being paramount, employees have access to a comprehensive employee assistance program that offers resources for those facing challenges or seeking career and personal development.

LIFE & DISABILITY INSURANCE

Employees have insurance options to protect themselves and their families financially if they are unable to work, with the employer covering the costs.

HOLIDAYS & PERSONAL TIME OFF

As a company, we acknowledge the 11 federal holidays and offer paid time off. Furthermore, we provide paid personal time off (PTO) to full-time employees, while regularly scheduled part-time employees will receive paid vacation on a pro-rata basis.
